

fools AND MAD MEN

The Philistines now mustered their army for battle...Saul countered by gathering his troops...So the Philistines and Israelites faced each other on opposite hills, with the valley between them. Then Goliath, a Philistine champion...came out of the Philistine ranks to face the forces of Israel. He was a giant of a man, measuring over nine feet tall! He wore a bronze helmet and a coat of mail that weighed 125 pounds. He also wore bronze leggings, and he slung a bronze javelin over his back... his spear was as heavy and thick as a weaver's beam, tipped with an iron spearhead that weighed fifteen pounds. An armor bearer walked ahead of him carrying a huge shield. Goliath stood and shouted across to the Israelites, "Do you need a whole army to settle this? Choose someone to fight for you, and I will represent the Philistines. We will settle this dispute in single combat! If your man is able to kill me, then we will be your slaves. But if I kill him, you will be our slaves! I defy the armies of Israel! Send me a man who will fight with me!" When Saul and the Israelites heard this, they were terrified and deeply shaken. As soon as the Israelite army saw him, they began to run away in fright. "Have you seen the giant?" the men were asking. "He comes out each day to challenge Israel. And have you heard about the huge reward the king has offered to anyone who kills him? "Don't worry about a thing," David told Saul. "I'll go fight this Philistine!" "Don't be ridiculous!" Saul replied. "There is no way you can go against this Philistine. You are only a boy, and he has been in the army since he was a boy!" 1 Samuel 17:1-11, 24-25, 32-33
